

To Whom It May Concern,

As the Athletic Director at the Community College of Beaver County, I am pleased to offer my strongest recommendation for Brian Baublitz. Over the past year, Brian has worked with our department on a remote basis, and his impact on our athletic communications and digital presence has been nothing short of outstanding.

From the outset, Brian demonstrated professionalism, creativity, and a deep understanding of digital media strategy. He was instrumental in enhancing our athletic website, improving both its visual appeal and functionality. Through his efforts, our site became more user-friendly, informative, and engaging for prospective students, current student-athletes, alumni, and community supporters.

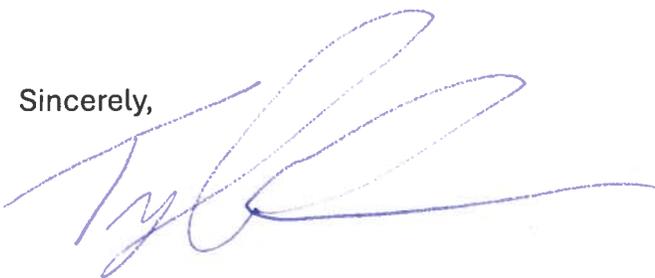

In addition to his work on our website, Brian played a key role in strengthening our social media presence. He developed more consistent branding, increased engagement across platforms, and helped us better highlight the achievements of our student-athletes and coaches. His ability to tell our story in a compelling and authentic way significantly elevated the visibility of our athletic programs.

Despite working remotely, Brian was consistently responsive, dependable, and proactive. He communicated clearly, met deadlines reliably, and often brought forward innovative ideas that we had not previously considered. He worked collaboratively with coaches, staff, and administrators, making the process seamless and productive.

Brian's technical skills, creativity, and work ethic make him a tremendous asset to any organization. I am confident that he will bring the same level of dedication and excellence to your team as he did to ours.

Please feel free to contact me if you require any additional information. I strongly recommend Brian Baublitz without reservation.

Sincerely,

Tyler Care
